HAROLD,

GUINN'S ANSWERS SEEM UNEQUIVOCAL

TO INDICATE THAT (WE) HE ADMITS TO HAVING PARTICIPATED IN NAA TESTING (PARAFFIN) OF CASTS FROM OSWALD'S CHEEKS. HE DENIED THIS UNDER OATH TO HSCA. I SEE A PROBLEM, & AS MUCH AS

EVERYONE MAY HATE IT, MARK LANE DISCOVERED THIS, LETS KEEP OUR EYE ON THE CASE & NOT OUR DISREGARD FOR OTHERS IN THIS CASE. LANE & OTHERS MAY BE JERKS BUT THEY'RE NOT THE REAL ENEMY

GUINN (1) FAILED TO MENTION (SAME) THAT THE FRAGMTS HE TESTED WEIGHED MORE THAN THOSE TESTED BY WARREN C. (IN AN "ANALYTICAL CHEMISTRY" ARTICLE, AND, (2) HE DENIED TO HSCA ANY WORK FOR THE WARREN COMMISSION. HE'S NOT VERY CREDIBLE IN MY MIND
